Fluent in English (written and verbal) Experience working with a resource management system highly desirable Proficient with data analysis and reporting Why join us at Oliver Wyman? At Oliver Wyman, we lead with heart - we love what we do and have fun while we do it! We also strive for breakthroughs by questioning, seeking diverse perspectives, and finding powerful and sustainable solutions. If you share these values and want to work as one and own our impact at the same time, be brave and achieve the amazing with us! We're individuals who are self-starting, motivated, energetic, entrepreneurial about what we do We have the common aspiration to have an impact, leave a legacy and change the world. We have no interest in running a steady-state business. We want to build, grow and shape the environment around us We value an environment where every member of Oliver Wyman is encouraged and expected to voice his or her opinion We believe that to create a true meritocracy we need to remove artificial barriers to opportunity We value people whose lives balance work and non-work activities because we believe they are both more interesting colleagues and are able to make better contributions to the Firm. We push ourselves hard to deliver excellence, but we also work to extract the maximum benefit from the flexibility of a project-based business.

We provide the ability to take career breaks for personal or family reasons. We fundamentally value each other's time and are sensitive to how it is used. We are an output not input-based culture, have respect for people's personal decisions, and believe that one's workload must be sustainable. We seek balance for ourselves and our colleagues.
