Our regional team operates across the Middle East bringing international experience delivered within the context of the region and its culture. We can bring the collective knowledge and experience of more than , people across the entire global PwC network in advisory, assurance and tax to help you find the value you are looking for.

### Job Description & Summary

A career within Transfer Pricing services, will provide you with the opportunity to help our clients develop compliant, tax efficient structures that help advance their business goals.

You'll focus on all aspects of documentation planning, dispute resolution, and advance pricing agreements.

Our team is responsible for all aspects of intercompany pricing arrangements between related business entities, including transfers of intellectual property, transfers of tangible goods, services and loans, and other financing transactions.

To really stand out and make us fit for the future in a constantly changing world, each and every one of us at PwC needs to be a purpose-led and values-driven leader at every level. To help us achieve this we have the PwC Professional; our global leadership development framework. It gives us a single set of expectations across our lines, geographies and career paths, and provides transparency on the skills we need as individuals to be successful

and progress in our careers, now and in the future.

As a Director, you'll work as part of a team of problem solvers, helping to solve complex business issues from strategy to execution. PwC Professional skills and responsibilities for this management level include but are not limited to:

Support team to disrupt, improve and evolve ways of working when necessary.

Arrange and sponsor appropriate assignments and experiences to help people realise their potential and support their long-term aspirations.

Identify gaps in the market and spot opportunities to create value propositions.

Look for opportunities to scale efficiencies and new ways of working across multiple projects and environments.

Create an environment where people and technology thrive together to accomplish more than they could apart.

I promote and encourage others to value difference when working in diverse teams.

Drive and take ownership for developing connections that help deliver what is best for our people and stakeholders.

Influence and facilitate the creation of long-term relationships which add value to the firm.

Uphold the firm's code of ethics and business conduct.
