[Apply Now](#)

Company: PwC Middle East

Location: United Arab Emirates

Category: healthcare-practitioners-and-technical

Description

Established in the region for 40 years, PwC has around 8, people in 12 countries across the region: Bahrain, Egypt, Iraq, Jordan, Kuwait, Lebanon, Libya, Oman, the Palestinian territories, Qatar, Saudi Arabia and the United Arab Emirates.

Our regional team operates across the Middle East bringing international experience delivered within the context of the region and its culture. We can bring the collective knowledge and experience of more than , people across the entire global PwC network in advisory, assurance and tax to help you find the value you are looking for.

Job Description & Summary

A career within Transfer Pricing services, will provide you with the opportunity to help our clients develop compliant, tax efficient structures that help advance their business goals.

You'll focus on all aspects of documentation planning, dispute resolution, and advance pricing agreements.

Our team is responsible for all aspects of intercompany pricing arrangements between related business entities, including transfers of intellectual property, transfers of tangible goods, services and loans, and other financing transactions.

To really stand out and make us fit for the future in a constantly changing world, each and every one of us at PwC needs to be a purpose-led and values-driven leader at every level. To help us achieve this we have the PwC Professional; our global leadership development framework. It gives us a single set of expectations across our lines, geographies and career paths, and provides transparency on the skills we need as individuals to be successful

and progress in our careers, now and in the future.

As a Senior Manager, you'll work as part of a team of problem solvers, helping to solve complex business issues from strategy to execution. PwC Professional skills and responsibilities for this management level include but are not limited to:

Encourage everyone to have a voice and invite opinion from all, including quieter members of the team.

Deal effectively with ambiguous and unstructured problems and situations.

Initiate open and candid coaching conversations at all levels.

Move easily between big picture thinking and managing relevant detail.

Anticipate stakeholder needs, and develop and discuss potential solutions, even before the stakeholder realises they are required.

Contribute technical knowledge in area of specialism.

Contribute to an environment where people and technology thrive together to accomplish more than they could apart.

Navigate the complexities of cross-border and/or diverse teams and engagements.

Initiate and lead open conversations with teams, clients and stakeholders to build trust.

Uphold the firm's code of ethics and business conduct.
