Category: other-general

1- Team Leader – Airfield Lighting System

Job: Full Time

Location: Dubai, UAE

Description:

The team is doubling the size of our business. At the same time, they're keeping maintenance costs down and driving asset capability up. With full responsibility for assets from creation to disposal, their watchword is reliability. Better still, they make sure we don't just do what we legally need to do, but go further. So we'll embrace your fresh ideas to improve our use of energy and environmental resources. It's all about meaningful change.

Job Responsibilities:

Maintaining tracking and performing day-to-day tasks with software related application.

Responsible for diagnosing root cause problems in each technical discipline

Identifying and selecting appropriate maintenance practices to meet objectives.

Job Requirements:

Educated to a higher diploma or equivalent professional qualification.

At least 1 year's experience in a technical related discipline with a good understanding of health & safety.

Demonstrate knowledge in Airfield Ground Lighting.

You should have a valid drivers license.
