Team Leader, Reservoir engineer Jobs In Abu Dhabi | Sundus

Description

We are searching for a friendly and enthusiastic group leader to join our growing company.

In this role, you will manage and supervise groups, prepare group activities and daily schedules, delegate tasks, and ensure that group members cooperate and that goals are achieved. When required, you will also act as an objective mediator.

Requirements:High school diploma or GED.

A relevant degree or associate's degree may be required.

Evidence of excellent leadership skills.

Prior experience managing groups is preferable.

Certification in leadership, teaching, management, or communication may be advantageous.

Excellent communication, interpersonal, and conflict-resolution skills.

Great organizational skills.

Working knowledge of administrative functions.

The ability to maintain professionalism under pressure.

Excellent analytical and problem-solving skills.#J-18808-Ljbffr
