Technical Architect - Onsite Opportunity - Abu Dhabi Technical Architect - Onsite Opportunity - Abu Dhabi

Technical architects are IT specialists who develop the technical blueprints required to upgrade or implement IT systems within an enterprise. They will also delegate activities to a team of software developers, and collaborate with solutions architects, stakeholders, and project managers to assure compliance. Disclaimer: Drjobs.ae is only a platform that connects job seekers and employers. Applicants are advised to conduct their own independent research into the credentials of the prospective employer. We always make certain that our clients do not endorse any request for money payments, thus we advise against sharing any personal or bank-related information with any third party. If you suspect fraud or malpractice, please contact us via contact us page. Our goal is to make hiring as easy as possible. We find the right talent for every company, ensuring that each candidate finds a job they enjoy. Dr.Job FZ LLC provides 360-degree AI-powered recruiting and job search solutions. If you are looking for a job and haven't found your chance yet, you can upload your profile on our website and find thousands of opportunities globally! Our platform gives you the flexibility you need to thrive in today's market by allowing you to apply for all different kinds of jobs, whether they are full- or part-time, remote or on-site.
