Technical Manager | G4S Abu Dhabi

G4S is a leading security and facility services company that provides proactive security services and cutting-edge smart technology to deliver tailored, integrated security solutions that allow clients to focus on their core business. Through a global workforce of approximately 800,000 people, we leverage best practices in communities all over the world. With revenues at approximately \$20 billion, we are supported by efficient processes and systems that can only come with scale to help deliver our promise locally: keeping people safe so our communities can thrive. For more information on G4S, visit www.g4s.com.

We are looking for an experienced and visionary ELV Technical/ Maintenance Manager for our Electronic Security Systems Division, someone who thrives on innovation and out-of-the-box thinking to craft ELV designs and solutions that seamlessly integrate with various security systems and third-party solutions.
