Description:

Superintendent Responsible for the overall management and performance of the employees and crew assigned to the fleet, in accordance with the Company's EVP and HR & Crewing Procedures:/

Job Responsibilities:

Ensure that the assigned vessels are manned in compliance with flag and industry legislation, and Company policies.

Monitor manning levels on all vessels to ensure appropriate manpower is allocated for each project, and ensure that costs are properly controlled

Ensure that manning and training requirements are clearly communicated in sufficient time ahead of each charter

Conduct regular reviews of performance appraisals for senior officers on board, to ensure appropriate action is taken to progress high potential candidates or close competence gaps, in accordance with Company procedures
