

Telecommunications Engineer

[Apply Now](#)

Company: Tasc Outsourcing

Location: abu dhabi

Category: other-general

Telecommunications Engineers design, plan and install complex telecommunications systems and networks. They are skilled in the installation and management of Mobile Networks, Internet Protocol (IP) and Voice over Internet Protocol (VoIP) telecommunications systems. Disclaimer: Drjobs.ae is only a platform that connects job seekers and employers. Applicants are advised to conduct their own independent research into the credentials of the prospective employer. We always make certain that our clients do not endorse any request for money payments, thus we advise against sharing any personal or bank-related information with any third party. If you suspect fraud or malpractice, please contact us via contact us page. As TASC Outsourcing, we delivered innovative, effective hiring solutions to businesses of all types and sizes. Today, we've grown into one of the region's leading recruitment, staffing and HR service providers. Working in collaboration with some of the region's biggest names (and some of its newest). And with a fresh new look to help us stand out in the crowd. Our goal is to make hiring as easy as possible. We find the right talent for every company, ensuring that each candidate finds a job they enjoy. Dr.Job FZ LLC provides 360-degree AI-powered recruiting and job search solutions. If you are looking for a job and haven't found your chance yet, you can upload your profile on our website and find thousands of opportunities globally! Our platform gives you the flexibility you need to thrive in today's market by allowing you to apply for all different kinds of jobs, whether they are full- or part-time, remote or on-site.
