Description:

A surgeon can perform thoracic surgery using an open or minimally invasive approach. With open surgery, there's a larger incision. With minimally invasive surgery, surgeons use smaller incisions and place a video camera through your chest. We have fantastic opportunity to work with one leading healthcare providers out in the UAE We are currently recruiting for an experienced Thoracic Surgery Consultant to join a team of well established consultants.

Responsibilities:

Analyzing patient histories and performing consultations and tests prior to surgeries.

Treating heart, lung, esophageal, and blood vessel conditions.

Performing a variety of surgeries, including transplants and tumor excisions.

Consulting with other physicians and specialists.

Determining all the risks associated with the surgery and clearly explaining them to the patient.

Addressing all patient concerns and answering their questions to the best of your ability.

Keeping up-to-date with advancements in thoracic surgery and the broader medical field.

Requirements:

Must have specialist qualification in Thoracic Surgery

2years+ experience post specialist qualification

Prospective candidate must also hold a current and valid medical registration in their home country and must be eligible for UAE License

Attractive tax-free salary.

30 days free accommodation upon arrival in the UAE
