Company: Neptune General Contracting LLC

Location: Sharjah

Category: healthcare-practitioners-and-technical

Company Description

Established in 1995, Neptune General Contracting LLC is one of the oldest construction companies in the city of Sharjah. With a multidisciplinary team of experienced engineers, it is licensed for high-rise buildings and delivers projects with the highest possible quality while maintaining low costs.

Role Description

This is a full-time, onsite role located in Sharjah Emirate, United Arab Emirates for a Tower Crane Operator. As a member of our team, you will be responsible for operating the tower crane and controlling loads on construction projects while ensuring that the highest safety standards are followed.

Qualifications

A valid UAE driver's license and relevant certification for operating a tower crane

A minimum of 3 years of experience operating a tower crane on construction sites

Thorough knowledge of all crane operating functions and safety procedures

Excellent hand-eye coordination and depth perception, ability to work at heights and in confined spaces

Good communication skills and ability to work effectively in a team environment

Bilingualism in English and Arabic is preferred
