UI/UX Designer Jobs In Abu Dhabi | Talent Pal

About the job

We are looking for a skilled and talented UI/UX Designer who specializes in website designs, iOS app designs, and SaaS applications. The ideal candidate will possess user-centered design expertise, aesthetic sensibility, and the ability to craft engaging and intuitive experiences. As a UI/UX Designer, you will be responsible for creating responsive designs, developing user flows, and designing navigation structures. Close collaboration with our development team and cross-functional teams is essential to ensure accurate implementation of visually appealing and functional digital products. You have to stay updated on the latest design trends, tools, and technologies to continuously improve design processes and deliver high-quality user experiences.

Our Requirement:

Bachelor's degree in Graphic Design, Visual Arts, or a related field (or equivalent practical experience). Proven work experience of 2-4 years as a UI/UX Designer, showcasing a strong portfolio. Proficiency in design tools such as Adobe Illustrator, After Effects and Adobe XD and Figma. Strong visual design skills with a keen eye for typography, color theory, and layout composition. Experience and expertise in prototyping and conducting design testing for user validation and iteration.
