I am delighted to invite you to the next in our series of Global ITX webcasts – VAT in the GCC, one month after implementation. Date: February 13, 2018 Time: 3:00pm – 3:30CET (9 Eastern) This webcast will update you on the latest VAT developments, since go live on 1 January 2018, both in the United Arab Emirates (UAE) and the Kingdom of Saudi Arabia (KSA). February is also an important month for those taxpayers who are due to file their first monthly VAT return and we will be covering the VAT return forms for UAE and KSA and highlight the critical points when preparing a VAT return. To Access the Webcast (Via PC or Mobile Device): Complete the required registration fields and select “Submit”. The webcast will open to enable you to view the presentation. Audio for this webcast will be heard through your computer speakers. If you have problems hearing audio, please post a question in the Q&A box to alert the presenters. And on a separate note, if you have been involved in VAT implementation in UAE and/or KSA I would very much welcome your input into our PwC VAT Survey, the survey should take no longer than few minutes to complete and our survey results will be anonymous. Your personal information will be held with the highest confidentiality and will not be used for external purposes. I do hope that you can join our live webcast when you will have the opportunity to ask our panel of ITX specialists questions. There will be a recorded version of the webcast available afterwards.
