**Job Title: Master Planner – Yacht Marina Developments** We are seeking a highly skilled Master Planner with specialized experience in Yacht Marina developments to join our clients team in Saudi Arabia. As a Master Planner, you will play a pivotal role in overseeing and orchestrating the planning and development of state-of-the-art yacht marinas. This position requires a deep understanding of the unique challenges and intricacies associated with marina projects. Responsibilities: - Lead the planning and development of yacht marinas from concept to completion. - Conduct site assessments, feasibility studies, and environmental impact analyses for marina projects. - Collaborate with architects, engineers, and regulatory authorities to ensure compliance with industry standards and regulations. - Develop comprehensive project plans, considering factors such as space utilization, infrastructure requirements, and environmental sustainability. - Manage project timelines, budgets, and resources to ensure successful and timely completion. Qualifications: - Proven experience as a Master Planner with a focus on Yacht Marina developments. - In-depth knowledge of maritime regulations, environmental considerations, and industry best practices. - Strong analytical and problem-solving skills with the ability to address complex planning challenges. - Excellent communication and collaboration skills to work effectively with cross-functional teams. - Bachelor's or Master's degree in Urban Planning, Architecture, or a related field.
