Description:

Job: WSP seeks a Senior/Principal Urban Planner to provide technical and professional leadership in the execution of urban planning projects across the GCC and the wider region, with a particular expertise in strategic planning, spatial development strategy and development management.

Responsibilities: Lead the production of high-quality urban planning, design and master planning project submissions in KSA and the wider Middle East region.

Coordinate with and supervise their own team of Urban Designers, Planners and Technical Staff on a day-to-day basis to achieve excellent design quality and documentation, and match or better WSP's QA standards

Report to Head of Department and Operations Director on a regular basis regarding progress, design, quality, resources, changes, site issues, planning issues etc.

Will be required to travel within the Middle East region to projects in a variety of geographical locations. Requirements: Degree or postgraduate qualification in urban planning or urban design;

Minimum 15 years' post qualification experience in urban planning, master planning and urban design projects with a focus on large scale strategic planning studies;

Strong English language report writing and analytical skills#J-18808-Ljbfrr
