Company: Parsons Corporation

Location: Abu Dhabi

Category: healthcare-practitioners-and-technical

Description

Utility Inspector

Abu Dhabi, UAE

Parsons is looking for an amazingly talented **Utility Inspector** to join our team! In this role you will get to involve in monitoring, inspection, coordination, witnessing, documentation of all Civil and Utilities works of the infrastructure project to ensure the project is constructed as per Contract requirements and specifications.

What You'll Be Doing:

Assist the Civil and Landscape Engineers in performing the contractual duties on site.

Maintain a detailed diary of the day's work activities, issues, work approved or rejected, hours of operation, labour and equipment used, etc. and sign at the end of each day.

Attend to Inspection Requests (IR's) submitted by the contractor and take appropriate action in a timely manner.

Monitor quality of works and assess the safety at site including health and environmental issues, ensuring the same complies with contracts / QCS specifications, safety and health risk assessment and environmental mitigating measures respectively on a daily basis.

Prepare Surveillance Report(s) for deficiencies of work found at site that are believed to have failed or if the contractor is not complying with verbal instructions and subsequently

complete a Non-Conformance Report (NCR) if required in view of the development of events.

Provide technical input and experiences to resolve any discipline related issues on site that may arise.

Receive material inspection requests (MIR) from contractor, inspect electrical & instrumentation materials delivered at site and report on quantity and technical compliance and sign off requests.

Prepare/complete the necessary documentation prior to inspection of the Works and process accordingly following completion of the inspection.

Keep, monitor and follow up as necessary and maintain complete record(s) concerning the execution of the works.

Ensures that the project quality control procedures are used for the construction supervision works and monitors it for improvement.

Ensure site progress information is communicated regularly.

Perform all other duties that may be requested by team leadership

Coordinate the works to ensure successful hand-over of the project.

What Required Skills You'll Bring:

BSc or Diploma in Civil Engineering

Minimum of 7 years of civil and utilities construction work experience on major infrastructure and landscaping projects..

GCC experience is an advantage.

What Desired Skills You'll Bring:

Good written and oral communication, and interpersonal skills, as well as a demonstrated ability to interact effectively with project team.

Must possess the ability to comprehend and interpret construction specifications, as well as demonstrate a comprehensive understanding of construction-related processes pertinent to

the designated area of assignment.

Must be fully computer literate and able to utilize computer technology to access data, maintain records, generate reports, etc. and any project specific engineering and construction relevant software.

Minimum Clearance Required to Start:

Not Applicable/None Parsons is an equal opportunity employer committed to diversity in the workplace. Minority/Female/Disabled/Protected Veteran.
