UX Designer II Jobs in Dubai | DP World Careers

Description:

We are seeking a talented UX/UI Designer professional to join our technology team. If you're excited to be part of a winning team, DP World technology team is a great place to grow your career. The ideal candidate should have an eye for simplicity and artful design, be able to translate high-level requirements into interaction flow and artifacts, and transform them into beautiful, intuitive, and functional user interfaces

Job Responsibilities:

Submit product wireframe and adapt to requirement changes

Use recent studies and findings to establish the best overall design elements to include in UX design experiences

Build storyboards to conceptualize designs to accurately convey project plans to clients

Create surveys for research through various media platforms to gather feedback on user's ease of use and satisfaction interfacing on company websites and products

Job Requirements:

BS/MS degree in design, human-computer interaction (HCI), or equivalent professional experience

5-7 experience as a user experience designer, interaction designer, or similar role

A portfolio or samples of work demonstrating your process for creating great user-centered design solutions

Excellent communication, presentation, interpersonal and analytical skills, including the ability to communicate interactive design concepts clearly and persuasively
