We prioritize hiring individuals based on their core values rather than solely focusing on hard skills. Our approach is to empower exceptional candidates to excel in a role by leveraging their strengths, regardless of whether they precisely match a job description. As a result, we welcome applicants with varying levels of experience, both exceeding and falling short of the requirements outlined below. PixelPiew is a privately owned studio specializing in design, branding, and creative services. Our mission is to drive the evolution and prosperity of financial services, B2B, corporate, and non-profit organizations. We achieve this by harnessing the power of research and craftsmanship to create refined brand identities, websites, messaging, campaigns, and marketing materials. We Want We are actively seeking skilled and enthusiastic freelance designers to join our roster of creative professionals. This is a broad application, and we invite all designers to apply, with a special emphasis on those who excel in the following areas:
