

Vascular Surgeon Consultant FT

[Apply Now](#)

Company: SearchPlus HR Dubai

Location: Sharjah

Category: other-general

Evaluating patient histories and scheduling consultations prior to surgeries. Liaising with other physicians and performing the relevant tests before the surgery. Treating conditions related to the veins, arteries, and other blood vessels. Performing surgeries to repair veins and arteries and to treat other vascular trauma. Consulting with physicians and referring patients to other specialists if required. Determining all risks associated with the surgery and clearly outlining them for the patient. Addressing all patient concerns and answering their questions as accurately as possible. Keeping abreast of advancements in vascular surgery as well as the broader medical field. Scheduling follow-ups to monitor patients' well-being and to advise them on suitable aftercare measures and medication they might require. Building relationships with patients and providing support to their families wherever possible.

Vascular Surgeon Requirements
Bachelors, with a specialization in vascular surgery.
3+ years of experience post qualification.
active license in the state currently working.
Superb problem-solving and analytical skills.
The ability to keep meticulous records of all patients and procedures.
The ability to follow instructions, but also think independently.
Dedication to excellence in the field of Vascular Surgery.
