VAT Consultant

[Apply Now](#)

Company: Tax Consultancy LLC

Location: Abu Dhabi

Category: business-and-financial-operations

About Us: MGMT is a multinational firm specializing in Business Advisory, Digital Transformation, and Performance Marketing. Based in Abu Dhabi, we are now inviting exceptionally qualified individual to apply for the role of Finance & VAT Consultant. Job Summary: A Finance and VAT Consultant plays a critical role in advising individuals, businesses, and organizations on financial matters, with a specific focus on Value Added Tax (VAT) compliance and optimization. This role involves providing expert guidance on financial strategies, tax planning, and ensuring VAT compliance to minimize financial risks and maximize efficiency. Department: Finance Education: Bachelor's degree in Finance, Accounting, or a related field Key Responsibilities: VAT Compliance: Stay updated on VAT laws and regulations in the relevant jurisdiction(s). Assist clients in registering for VAT and obtaining necessary permits. Ensure accurate and timely VAT filings. Review financial records and transactions to identify potential VAT issues. Provide guidance on VAT exemptions, deductions, and allowances. Tax Planning: Develop and implement tax strategies to minimize VAT liabilities. Analyze financial data to identify opportunities for VAT savings. Advise clients on the structuring of transactions to optimize tax efficiency. Assist in VAT forecasting and budgeting. Analyze financial statements and reports to assess the financial health of clients. Identify areas for cost reduction and revenue enhancement. Create financial models to support decision-making processes. Client Consultation: Consult with clients to understand their financial objectives and challenges. Provide personalized financial advice and recommendations. Address client inquiries and concerns regarding VAT and financial matters. Audit and Compliance: Assist clients in preparing for VAT

audits. Collaborate with auditors and tax authorities during audits. Ensure clients are in full compliance with tax regulations. Documentation and Reporting: Maintain accurate records of financial transactions and VAT-related documents. Prepare and submit VAT reports to tax authorities. Generate periodic financial reports for clients. Research and Education: Stay informed about changes in tax laws, regulations, and financial best practices. Conduct research to provide clients with up-to-date information. Educate clients and team members on VAT compliance and financial matters. Client Relationship Management: Build and maintain strong relationships with clients. Address client needs and concerns promptly. Identify opportunities for expanding services with existing clients. Experience: Having a minimum of 5 years post-qualification professional experience in Tax & Audit Firm. Salary : 5000 To 7,000 AED Skills and Abilities: Proven experience in financial consulting, VAT compliance, or related roles. In-depth knowledge of VAT laws, regulations, and compliance requirements. Strong analytical skills and proficiency in financial modeling and analysis. Excellent communication and interpersonal skills. Attention to detail and strong organizational abilities. Proficiency in financial software and tools. Ability to work independently and as part of a team. Ethical and trustworthy conduct. Finance and VAT Consultants: play a crucial role in helping clients navigate complex financial and tax landscapes, ensuring compliance with VAT regulations, and optimizing their financial operations. This role requires a deep understanding of finance, taxation, and a commitment to providing valuable insights to clients. Application Process: Physically challenged candidates are given equal opportunity at MGMT Consultancy Hub. Only those who have been shortlisted will be contacted. The position may be rejected by the responsible authorities. We strongly encourage qualified applicants with extensive understanding of Finance and VAT
