#### Job Overview for a Senior Vice President

The Vice President will be responsible for leading the design and development of airport solutions to ensure that Dubai Airports retains its competitive market position through a leading customer experience, capacity development and seamless operations. Solutions must combine engineering, technology, operational and service design elements to promote an industry leading customer experience.

#### Responsibilities of a Senior Vice President

Directing the delivery of the Dubai Airport experience and operational development programmes. Ensuring their alignment with corporate strategy managing progress, resourcing, and risk. Communicating the performance of programmes and projects to the Dubai Airports business sponsor and leadership team and being accountable for successful delivery.

Managing Senior Stakeholder relationships with respect to the delivery of the Dubai Airports Development programme.
