At Trilogy, we offer a stimulating and collaborative work environment that encourages professional growth and innovation. As the Senior Vice President of Non-Technical Operations, you will play a pivotal role in driving operational excellence and facilitating the success of our growing portfolio of technology companies.

### What You Will Be Doing

Designing and implementing scalable operational frameworks, processes, and policies to ensure consistency, efficiency, and compliance across portfolio companies.

Collaborating with executive leadership and functional heads to identify operational improvement opportunities, streamline workflows, and drive cost optimization initiatives.

Establishing key performance indicators (KPIs) and metrics to monitor and evaluate operational performance, providing regular reports and insights to executive leadership.

Developing high-performing operational teams, cultivating a culture that embraces high-quality, high standards, accountability, continuous improvement, and efficiency.
