Company: COREcruitment

Location: Dubai

Category: healthcare-practitioners-and-technical

Job Title: Videographer

Location: Dubai, United Arab Emirates

Package: 15,000 - 18,000 per month, plus benefits

I'm currently supporting an incredibly exciting, and expanding hospitality group here in the UAE.

Based in the heart of Dubai, the group have already launched a number of exciting concepts, with plenty more in the pipeline too (beach clubs, restaurants etc.) and they are now actively looking for an experienced Marketing Manager to join their operations.

Ideally we're looking for someone who has a strong background/portfolio within the Dubai F&B/Nightlife scene, and who is based in country already.

Responsibilities:

Film videos on set or on location.

Ensure that equipment for a shoot is present and working.

Plan the shoot with the creative team and the client.

Edit footage in post-production.

Direct other camera operators so that the needed footage is acquired.
