Vitreo Retina and Refractive Surgeon Jobs In Dubai | SearchPlus HR Dubai

About the job

We are looking for a knowledgeable Vitreo Retina and Refractive Surgeon potential and possibilities to gradually become more involved in the company, depending on scientific performance, productivity and quality in patient care.

Requirement

Young ophthalmologist trained as a retina specialist (medical and retinal) with interest in clinical and pre-clinical research in the field of retinal conditions, especially retinal and macular degenerative disorders.

Preferably 2-5 years' experience in medical and surgical retina post-training.

Must be motivated, active in publishing research and involved in scientific meetings.

Proactive in both leadership and co-investigation in clinical and pre-clinical research projects, protocol preparation, scientific publishing and presentations at meetings

High level of English and Spanish. Catalan and other languages valued.

The ideal candidate should be: organized, happy to work as part of a team and with good communication skills and a positive attitude; effective and good at achieving results, planning, organizing and prioritizing; adaptable and flexible with a desire for continued improvement and learning; committed
