Company: PwC Middle East

Location: dubai

Category: other-general

Management Level **Manager** **Job Description & Summary** A career within the HC strategy and transformation team forming part of the Internal Firm Services will provide you with the opportunity to assist the business with leveraging workday technology to enhance and unify human resources and other functions. This role looks at understanding the forces shaping our business and developing solutions by assessing functionality and their usage to transform processes and procedures across the entire employee lifecycle. This role is for a 1 year fixed term period. In joining, you will be part of a team that helps all Middle East territories reinvent the way we work and the workday technology platform currently in place, bringing strategic value through productivity and business effectiveness improvements within Workday.
